

PAYMENT GUARANTOR AGREEMENT

In consideration of services provided by Hazelden Betty Ford Foundation (“Hazelden”) through its Connection program (“Connection program”) to _____ (the “Participant”), the undersigned hereby assumes direct responsibility and agrees to pay all program fees and additional fees (“Service Fees”) from the date of the Participant’s execution of this Payment Guarantor Agreement (the “Service Agreement”) through completion of the Connection program unless earlier terminated by Hazelden or the Connection program Participant. In addition to Participant, if there is more than one guarantor, this obligation shall be the full responsibility of Participant and each guarantor (i.e. joint and several obligations for payment of all program Service Fees).

I understand the services provided by the Connection program are dependent on the active cooperation of the Participant. If the Participant elects to terminate the Service Agreement, the Guarantor may be eligible for a refund of the unused portion of the Service Fees. As the Guarantor of Participant’s payment for the Connection program, Guarantors do not have the right to terminate the agreement on behalf of the Participant or to receive information about the Participant’s activities in the Connection program unless the Participant agrees to execute a written and valid release of information in accordance with program confidentiality requirements. Guarantor agrees that Hazelden may make an adjustment to the services it provides necessitated by the actions of the Participant.

The undersigned acknowledges that commercial insurance or other sources of funding to pay for the Connection program may not be available.
