

MORE works

Research shows that clients who actively engage in continuing care after treatment are more likely to remain abstinent. And Hazelden Betty Ford's research shows that MORE participants who utilize MORE as recommended have higher abstinence rates than those who do not use it as recommended.*

“I knew my biggest challenge after treatment would be staying connected with people who understood and cared. It's not easy for me to reach out for help. But the MORE program made it possible for me to talk about my addiction confidentially. I knew I'd find answers and get the support and guidance I needed.”

*Hazelden Betty Ford research shows that those who use a large number of MORE modules have significantly better outcomes than those using few or no modules, even when controlling for motivation levels.

MORE for you

Recovery does not happen in 28 days at a treatment center. It's an ongoing process, with the ultimate goal of lifelong sobriety. A strong recovery support program is important to assist you in your ongoing recovery. And Hazelden's MORE program provides you with ongoing recovery support.

With MORE, help is at your fingertips through all the ups and downs of early recovery, including a recovery coach you can contact electronically or by phone.

MORE is included in the cost for most Hazelden programs.

MORE is your daily recovery connection

If addiction treatment is about getting sober, recovery is about learning how to stay sober. The early months following treatment are a time of unique challenges and choices, and Hazelden's award-winning Web-based MORE program will help you stay the course.

With MORE, Hazelden gives you something no other addiction treatment provider offers—ongoing effective, personalized recovery support.

MORE connects you with the tools, support, and fellowship you need to build your new life in recovery. It's easy to use and always accessible. Think of MORE as a personal recovery guide for your recovery journey.

MORE gives you access to your own recovery coach who you can connect with for personal support.
